

Hello Everyone,

We believe it's important to support our employees' wellbeing. It's also equally important to give back to the world and live out our value of Selflessness. With the Charity Miles app, we can do both.

Announcing a Tangoe-Sponsored October Challenge!

From October 1 through October 31, Tangoe will donate **50 CENTS – up to a total of \$20 per person*** – for every mile you walk, run, or bike to your charity of choice (there are 50+ global charities you can support through the Charity Miles app). If you're not yet a member—now is a great time to JOIN! **Donations are converted to local currencies.*

Not Familiar with Charity Miles?

- Charity Miles is a free app that works like a fitness tracker and syncs with your phone's internal pedometer and GPS to track your miles.
- It also syncs with your phone's Health Kit (iOS) and Strava (Android) to import from any activity trackers you may have connected to them.
- You choose one of 50+ charities to support, track your activity, and the app turns miles into dollars. It's that easy.

Join Our Charity Miles Team Today to Raise Money for Your Charity of Choice

Don't forget about our Charity Miles Channel, a place to ask questions, follow our monthly challenges, and connect with your Tangoe colleagues. Looking forward to seeing how much we can collectively raise as a team this October. #EveryMileMatters

And here are just a few examples of how every dollar matters:

- **World Food Programme:** \$1 = 4 Meals
- **Nature Conservancy:** \$1 = 1 Tree
- **ASPCA:** \$1 Feeds a Rescued Animal for a Day
- **Charity Water:** \$10 = Clean Water for 1 Person for Life
- **Feeding America:** \$1 = 10 Meals

Looking forward to seeing how much we can collectively raise as a Tangoe team this October.
